

I CHOOSE

love

A JOURNAL of SELF-DISCOVERY:
Exploring love for yourself and the world

SARA HEPPNER

the LAW of KARMA:

You get to feel the way you make others feel

Rather than be **BUSY**

Just **BE**.

After all... we are human **BEINGS** *not* human doings.

What brings you **JOY**... **FEELS GOOD**... yes?!

Do something that brings you **JOY** EVERY DAY... you *deserve* it.

EVERYTHING we DO and SAY
affects those around us.

What ENERGY would you like to spread around the world?

WHO is *they* and WHY do we CARE?

WHO could YOU BE if you didn't listen?

Why try to fit into a square

When you don't have to FIT into ANYTHING -

EVERYTHING in life is a
CHOICE

our
ACTIONS

our
INACTION

our
REACTIONS

Take time to explore the grey spaces

You have the **POWER** to choose **HOW** to **LIVE** your life.
